STAT 4. (Unclassified - LLM) [] DCS, called to report that he had been asked by a contact in the Library of Congress to identify the laws supporting current congressional committee oversight of the Agency. I recommended that he avoid any detailed discussion and simply refer to the Legislative Reorganization Act and the fact that the Agency's enabling legislation has for some time been within the jurisdiction of the Armed Services Committees of both Houses. I suggested that if his contact wanted further information concerning this matter, the staffs of the Armed Services Committees be contacted, and if he wanted information on other laws affecting the Agency, that [] Associate General Counsel, be contacted.
